Governing Board of Directors REGULAR BOARD MEETING AGENDA June 10, 2024 — 3:00 PM

Barona Community Center Meeting Room at 1095 Barona Road, Lakeside, CA 92040

- I. **Call to Order/Roll Call- Ray Welch- Chairman, Tawnya Phoenix- Vice Chair, Danthia Gil- Secretary/Treasurer, Darla Boller- Member, & Melanie Villa- Member**
- II. **Approval of Agenda-** changes to the agenda are made at this time.
- III. **Approval of Minutes for April 22, 2024**
- IV. **Public Comment-** Any person may address the Board about any agenda item and may be granted five (5) minutes to talk when an item is discussed. Time per agenda item shall be determined based on the number of speakers. This time will not exceed 30 minutes. Board may lengthen time by consensus.
- V. **Action Items**
 - A. **Presentation of the 2024-25 Budget** – Samantha Orahood, Director of Finance from Lakeside USD, will present the next fiscal year budget to the Board.
 - B. **OPEN PUBLIC HEARING** – At this time the Board shall conduct a public hearing on the 2024-25 proposed budget. The public has had the opportunity to inspect the proposed budget at the Charter Office, 1095 Barona Road, Lakeside, CA since June 5, 2024 and online at www.baronaindiancharterschool.com. Any member of the public may comment on the proposed budget at this time.
 - C. **CLOSE PUBLIC HEARING**
 - D. **OPEN PUBLIC HEARING on LCAP for 2023-2024** – At this time the Board shall conduct a public hearing on the 2023-2024 Local Control Accountability Plan (LCAP) pursuant to CA Ed Code, Section 52062. All interested stakeholders may make comment on the LCAP at this time. The LCAP is on file and available for public review in the Barona Indian Charter School Office, located at 1095 Barona Road, Lakeside, CA 92040 or on the school website at www.baronaindiancharterschool.com.
 - E. **CLOSE PUBLIC HEARING**
 - F. **OPEN PUBLIC HEARING on LCAP for 2024-2025** - At this time the Board shall conduct a public hearing on the 2024-2025 Local Control Accountability Plan (LCAP) pursuant to CA Ed Code, Section 52062. All interested stakeholders may make comment on the LCAP at this time. The LCAP is on file and available for public review in the Barona Indian Charter School Office, located at 1095 Barona Road, Lakeside, CA 92040 or on the school website at www.baronaindiancharterschool.com.
 - G. **CLOSE PUBLIC HEARING**

- H. Approval of the 2024-25 Lease** – This is the annual agreement between the Barona Band of Mission Indians and Barona Indian Charter School (BICS) for the use of the facilities. The fee for the leased premises is \$ per year, payable quarterly in advance.
- I. Approval of Declaration of Need (DON)** – In order to employ an individual on an emergency permit, all LEAs must have a valid DON on file with the Commission on Teacher Credentialing. This is proof that in an emergency there may be a need to hire a teacher who does not hold a valid credential.
- J. Ratify the Use of Creative Back Office** – The Consultant (Creative Back Office) will develop the complete petition budget and cash flow and subsequent revisions containing each of the elements required both within the CDE Charter Petition Guidelines and the authorizer’s guidelines. Creative Back Office will develop a 5 Year Budget & Cash Flow that aligns with the School’s Charter Petition Narrative and accurately projects the next 5 Years of Financial Activity for the School.
- K. Approve Math Transformations for a 2nd Year** - The Board will consider approval to utilize the math consulting services of Math Transformations for the 2024-25 school year. The program will be funded using the Learning Recovery Block Grant.
- L. Approve the Purchase of 3-D Printers** -With 3D printing, students gain analytical skills--they interpret the size, shape, movement, and relationships between objects. Furthermore, 3D printing supports real-world understanding. Through learning by doing, students are able to see the impact their 3D printed parts can have in the real world. 3D models provide a visual and tactile learning experience that can help students who struggle with traditional lecture-based learning. For example, students who are visual learners may find it easier to understand complex scientific concepts when they can see them in 3D form. The purchase would be made using one-time ELOP funds.
- M. Approve SPED Consulting Agreement with Carolyn Nunes** - The Board will consider to continue utilizing the professional educational advisory services of Carolyn Nunes for the 2024-2025 school year in the area of Special Education.
- N. Approve Family Resource Coordinator Contract** - The Barona Indian Charter School will continue to employ a consultant to look at broad family issues and provide recommendations in respect to school culture, student absenteeism, student socio-emotional needs, and ultimately recommendations for the charter renewal document. This position will be funded by ESSER and the Small Rural Grant funds.

VI. Reports- Principal Julie Cushman will report to the Board.

Governing Board of Directors REGULAR BOARD MEETING MINUTES

April 22, 2024 — 9:00 AM

1. **Call to Order** Meeting was called to order at 9:01am
Roll Call: Tawnya Phoenix- Vice Chair, Danthia Gil- Secretary/Treasurer, Darla Boller- Member, & Melanie Villa- Member
Other Members in attendance: Julie Cushman, Principal/Director, Kathy Clenney, Legal Counsel
2. **Approval of Agenda-** Agenda approved.
Motion to approve the agenda was made by Darla Boller and seconded by Melanie Villa. Carried 5, 0, 0.
3. **Approval of Minutes:** Amendment to Minutes. Should read “4:46 PM”. Motion to approve the minutes for March 11 and March 20 with amendment was made by Melanie Villa and seconded by Darla Boller. Carried 5, 0, 0.
4. **Public Comment-** No public comments were made
5. **Action Items**
 - A. **Approved Auditors for 2024 through 2027-** The Board considered approving a three-year contract for fiscal auditing services with Wilkinson Hadley King & Co. LLP, the same company that BICS has used for the past three years. School Boards are required by law to select an auditor to conduct an independent annual audit of CDE programs. This firm has met the requirements of state law and is authorized to practice public accounting by the California Board of Accountancy. Pricing includes annual audit, federal compliance, and tax preparation.
Motion to approve Auditors for 2024 through 2027 was made by Tawnya Phoenix and seconded by Melanie Villa. Carried 5, 0, 0.
 - B. **Approved 2024 Summer School Plan-** Since an extended summer break results in significant learning loss, especially among disadvantaged and low-achieving students, staff recommends a plan to provide summer school opportunities for students to practice essential skills and make academic progress. This summer program will be aligned with the LCAP and the educational program provided during the school year. This program will blend high quality academic instruction in core curricular and/or elective subjects with recreation, nutrition programs, social and emotional development, and support services that encourage attendance, student engagement in learning, and student wellness. This program is funded using one-time funds.
Motion to approve the 2024 Summer School Plan was made by Melanie Villa and seconded by Tawnya Phoenix. Carried 5, 0, 0.
 - C. **Approved ARISE Teacher Stipend-** The board considered approving a one-time \$800 stipend for the 6 classroom teachers that are participating in the ARISE Literacy Grant Program. Payments will be made from the \$5,000 received from the

San Diego County Office of Education for participating in the program.
Motion to approve ARISE Teacher Stipend was made by Tawnya Phoenix and seconded by Darla Boller. Carried 5, 0, 0.

6. **Reports** – Principal’s Report by Julie Cushman
 - A. **Fieldtrips** – 5th/6th Grade will be attending several fieldtrips this year.
 - B. **Teacher Appreciation Week** – Parent volunteers are getting ready for Teacher Appreciation Week.
 - C. **Western Days Float**- BICS will be represented at the Lakeside Western Days Parade on April 27. We hope to have students, parents and staff represent BICS this year.
 - D. **Enrollment** – Enrollment is in full swing. We are at 68 students. That is up 22 students from last year at this time.
 - E. **7th/8th Grade** – Mrs. Hoffmann will return to the 7th/8th grade classroom for the 2024-25 school year.
 - F. **8th Grade trip** – The 8th grade trip this year will be at an escape room and dinner. Each student will also get a basket with their favorite things.
 - G. **Cafeteria** – The concrete has been poured for the new cafeteria. We are in the process of researching equipment. We will apply for a grant to help cover the costs of this project.
7. **Organizational Business**
 - A. **Future agenda items and/or Board member comments:** No comments
 - B. **Upcoming meetings**
 - May 20, June 10 (Budget 4pm)
8. **Adjournment:** Meeting adjourned at 10:01am.

Motion was made by Darla Boller and seconded by Melanie Villa. Carried 5, 0, 0.

Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Action 1.3, 1.4 and 1.5 - Based on educator feedback and also feedback from parents, BICS shifted from local data assessment using NWEA/MAPS to the iReady platform for the 2023-24 school year. The iReady program provides a thorough assessment of each student's progress, highlighting areas that need improvement and areas where they excel, which allows teachers to plan the most effective use of learning time. In addition, iReady is much easier for parents in understanding their child's assessment results. iReady is currently being used for assessing Math, Language Arts and Reading.

Action 1.14 - BICS retained the math specialist services of Math Transformations to provide individual coaching and workshops to all teachers K-8th Grade. These planned actions have resulted in an overall 20.6 point improvement in ELA; and an increase of 32.5 point in math based on the California Dashboard data.

No material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Action 1.1 - CAASPP English /Language Arts (Measured by points distance from standard) : BICS showed a trend of improvement in CAASPP ELA scores year over year in the last three-year LCAP cycle. Year 1 outcomes showed overall students were at 72 percent below standard; Year 3 outcomes showed significant increase in progress to 47.9 points. Although BICS students are performing below standard in ELA, it is important to note that there was an increase of 20.6 points in ELA from the 21-22 to 22-23 school year.

Action 1.2 - CAASPP Math (Measured by points distance from standard):Year 1 outcomes showed overall student average of 89 percent below standard; Year 3 outcomes showed an increase in CAASPP scores to 73.7 points from standard. Although BICS students are performing below standard in Math, it is important to note that there was an increase of 32.5 points in Math from the 21-22 to 22-23 school year.

Action 1.3 - NWEA/MAPS Language Arts scores (Measured by Percent of students growth met or exceeded) : BICS showed a positive growth trend for year 2 outcomes. There was shift to the new iReady platform in Year 3. We are showing positive growth using iReady in ELA/Reading

Action 1.4 - NWEA/MAPS Math scores (Measured by Percent of students growth met or exceeded): BICS showed a slight decrease in math scores from year 1 to year 2 outcomes. The decrease in percentage of students that met or exceeded target growth decreased from 51% to 46.54%. However there was an increase in math for socioeconomically disadvantaged from 64% to 74%. Year 3 outcomes are based on the iReady program. Based on the most recent iReady assessment in Math, the median percent progress towards Typical Growth as of March 2024 is 77%. BICS hired a math coach to work with teachers create strategies to improve our math program and plans to continue to work towards academic achievement in math.

Action 1.5 - NWEA/MAPS Reading scores (Measured by Percent of students growth met or exceeded):BICS showed a positive growth trend for year 2 outcomes. In Year 2 overall 47.28% of students met or exceeded growth target. There was significant improvement in socioeconomically disadvantaged: with 70% met or exceeded growth and students with disability 72%. Based on the most recent iReady assessment in Reading, the median percent progress towards Typical Growth as of March 2024 is 85%.

Action 1.6 - Envision Math Implementation (Measured by classroom observation and students enrolled) - All students are using Envision Math Curriculum

Action 1.7 - Envision Teacher Professional Development - BICS Teachers completed all PD Training in Envision Math

Action 1.8 - Full Implementation of Developmental Reading Assessment (DRA) (Measured by students fully assessed) - DRA assessments complete for all grades (K-8)

Action 1.9 - Developmental Reading Assessment (DRA) (Measured by students at grade level or above) 55.5%

Action 1.10 - DRA Teacher Professional Development (Measured by hours of completed PD) - All teachers K-8 completed 1 Hour of PD in DRA per year

Action 1.11- Summer School (Measured by enrolled students) 16 students enrolled

Action 1.12 - After School (Measured by participation) - After School programming saw an increase in participation year over year. Outcomes of Year 3 showed a participation rate of 42% of students overall.; 49% of students participating were socioeconomically disadvantaged; and 26% were students with disabilities. Afterschool tutoring and clubs helped with learning loss and student engagement.

Action 1.13 - Maintain Staffing to support small class sizes (Measured by Teacher to Student Ratio) - BICS has continued to maintain staffing to support small class sizes.

Action 1.14 - Specialized Staff: Math Coach/Reading Specialist - BICS has retained Math Transformations as a onsite math coaching/workshop for teaching staff as well as participating in a Literacy Reading Intervention program.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

BICS has reflected on the past years outcomes and taken feedback from our stakeholder groups, including students, staff, parents and Board members to change some for the upcoming year.

Action 1.3-1.5 - BICS made the shift from NWEA/MAPS local assessment system to iReady in the 2023-24 School year. There has been success in using the iReady system for students, teachers and parents. iReady has a parent-friendly assessment reporting system. BICS students are engaged and are showing progress.

Actions 1.8-1.10 - BICS made the decision to discontinue the Development Reading Assessment (DRA) at the end of the 2023-24 school year. With the implementation of the new iReady system, DRA proved to be excessively time consuming and redundant. iReady will serve as a tool for individualized lesson building and assessments The Science of Reading will be used as supplements for ELA and Reading.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Chronic absenteeism continues to be a challenge for many schools, including BICS. California Dashboard shows some progress with overall 15.3% chronically absent which shows a decline of 7.4%. Two areas of concern are the chronic absentee rates for the sub-groups of socioeconomically disadvantaged group (orange indicator) and American Indian (red indicator). The use of a Family Resource Coordinator has helped with building relationships with students and families. Our Family Resource Coordinator provides guidance and support to families with obstacles preventing them from getting students to school on time. Even with the use of the FRC, new strategies will have to be implemented to target these specific sub-groups.

BICS goal of utilizing California Healthy Kids Survey to measure student connectedness was a planned action that did not get executed. BICS used a survey by the Leader in Me program as an assessment for students, parents and staff. While this information was very useful in guiding the planned actions for our school, BICS will not be continuing with Leader in Me. Because the Leader in Me program will end this year, BICS will be adopting a new socio-emotional learning program to be implemented in the 2024-25 school year. BICS will utilize the California Healthy Kids Survey for the 2024-25 school year.

No material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

2.1 ATTENDANCE RATE: BICS will improve attendance rates with systematically monitoring attendance. BICS utilized the new communication and data tracking program (Infinite Campus) to upgrade the attendance tracking and increase communication with families. BICS will continue to monitor attendance on a regular basis.

2.2 CHRONIC ABSENTEEISM: BICS employed a Family Resource Coordinator to build positive relationships with families and create systems to reduce the barriers leading to chronic absenteeism. Our Family Resource Coordinator monitored and support for socioeconomically disadvantaged students, and students with disabilities with the goal of decreasing Chronic Absenteeism rates.

2.3 Suspension and Expulsion rates: BICS showed success with student engagement based on the MRA survey through the Leader in Me program

2.4 TARDY RATE: BICS utilized attendance incentive strategies to increase the overall attendance rate, decrease tardy rates and promote on-time arrivals for all student.

2.5 California Healthy Kids Survey: BICS intended to utilize the Healthy Kids Survey, however decided to use the assessment in the Leader in Me program to measure student engagement.

2.6 Physical Fitness Test Grades 5: BICS had 100% participation rates for the California Physical Fitness Test

2.7 Southern Indian Health: BICS increased Mental Health Services and Counseling year over year for students in grades 6-8. BICS will again increase these services to include grades 3-8 in future years.

2.8 Adopt new SEL program: BICS had great success with the Leader in Me program for the three-year LCAP cycle. BICS has made the decision to adopt a new SEL program for the 2024-25 school year due to cost and staff needed to implement the program to its fullest.

2.9 Maintain staffing to support small class size: BICS has and will continue to hire fully qualified staff to maintain our small class size

2.10 Provide opportunities to partner with families: BICS focus on creating opportunities on campus for families and community members has been intentional and showed great success. A parent group has formed to help in classrooms and on campus. Regular coffee meetings with the principal has given parents an opportunity to ask questions and get involved at school.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

The chronic absenteeism rate of the All student group at BICS decreased by 7.4% from 21-22 to 22-23. While the All student group showed improvement in this indicator, the chronic absenteeism rate of the American Indian and Socioeconomically Disadvantaged student groups increased by 2.1% from 21-22 to 22-23. BICS recognizes that in order for students to achieve academic success, they must attend school consistently and be engaged in their learning. BICS will continue with successful practices, such as utilizing a Family Resource Coordinator and incentive strategies, as well as expand to mental health counselors, and coordination with the local tribal community to increase attendance for the specific sub-groups of socioeconomically disadvantaged students and Native American students.

Goal Analysis

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

A description of any substantive differences in planned actions and actual implementation of these actions.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

- Describe the effectiveness or ineffectiveness of the specific actions in making progress toward the goal during the three-year LCAP cycle. “Effectiveness” means the degree to which the actions were successful in producing the desired result and “ineffectiveness” means that the actions did not produce any significant or desired result.
 - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
 - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
 - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
 - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
 - The reasons for the ineffectiveness, and
 - How changes to the action will result in a new or strengthened approach.

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2024-25 School Year

Projected Revenue by Fund Source

This chart shows the total general purpose revenue Barona Indian Charter School expects to receive in the coming year from all sources.

The text description for the above chart is as follows: The total revenue projected for Barona Indian Charter School is \$1,525,756, of which \$952,926.00 is Local Control Funding Formula (LCFF), \$202,619.00 is other state funds, \$130,098.00 is local funds, and \$240,113.00 is federal funds. Of the \$952,926.00 in LCFF Funds, \$89,796.00 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Barona Indian Charter School plans to spend for 2024-25. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: Barona Indian Charter School plans to spend \$1,916,695.50 for the 2024-25 school year. Of that amount, \$1,226,743.00 is tied to actions/services in the LCAP and \$689,952.5 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

Increased or Improved Services for High Needs Students in the LCAP for the 2024-25 School Year

In 2024-25, Barona Indian Charter School is projecting it will receive \$89,796.00 based on the enrollment of foster youth, English learner, and low-income students. Barona Indian Charter School must describe how it intends to increase or improve services for high needs students in the LCAP. Barona Indian Charter School plans to spend \$663,652.00 towards meeting this requirement, as described in the LCAP.

LCFF Budget Overview for Parents

Update on Increased or Improved Services for High Needs Students in 2023-24

This chart compares what Barona Indian Charter School budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what Barona Indian Charter School estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

The text description of the above chart is as follows: In 2023-24, Barona Indian Charter School's LCAP budgeted \$574,298.00 for planned actions to increase or improve services for high needs students. Barona Indian Charter School actually spent \$566,769.00 for actions to increase or improve services for high needs students in 2023-24.

Plan Summary [2024-25]

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Barona Indian Charter School is located on the Barona Indian Reservation and serves the Native American population, students from surrounding communities, the Barona work community and other children who reside or choose to attend the school. BICS values its culturally-rich, nurturing educational environment and strives to build confident and innovative learners. The school serves students in grades TK through 8. It is a small school with low student to teacher ratios. Approximately 30% of the student population is in Special Education, and 47% are socioeconomically disadvantaged. The school’s mission is to foster the academic and social development of all students, while maintaining the important cultural aspects of our native community. BICS strives to create an individualized learning environment through the use of 1:1 ratio of technology (iPads and Chromebooks) with reliable connectivity to all of our classrooms. Curriculum is geared toward individual student learning levels assisting teachers in providing differentiated instruction. BICS recognizes the crucial aspect of student success linked to a whole-child approach. BICS emphasizes a climate of leadership, culture, and academics. BICS is committed to a continuous improvement process, including promoting a strong, whole-student learning environment to support high student achievement in school and beyond.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Barona Indian Charter School has worked hard to combat the learning loss from the after effects of the pandemic. BICS has shown improvement in every California Dashboard metric with a very few exceptions. BICS has increased 32.5 points in Mathematics overall. This is

much higher than the state average. English Language Arts has shown an overall Increase of 20.6 Points. Our one student group that has had a slight decrease in ELA has been the students in the Socioeconomically Disadvantaged category. BICS will continue to focus efforts to support this student group with our Family Resource Coordinator, as well as opportunities in the form of afterschool and summer school enrichment.

While BICS has shown improvement in Chronic Absenteeism overall, there has been an increase in chronic absenteeism in the Native American student group. This is our only "red" zone in the 2023 dashboard metrics. Since the Native American population is a significant group for our school, BICS will be working with stakeholders and our Tribal Council to strategize a plan to improve the attendance for this group.

Engaging Educational Partners

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Educational Partner(s)	Process for Engagement
Parents, students, staff and community members	2023-24 LCAP Stakeholder Survey
Families	Monthly Coffee with the Principal
Staff	Bi-monthly Staff meetings (specifically April)
Board members, administration and community	Board meetings including public comment time

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

BICS utilized multiple methods of gaining input from our many educational partners. Some feedback was gathered from a more formal setting, like surveys and meetings. Other methods included direct conversations in a small group setting. It is of utmost importance that the stakeholders voices are heard and incorporated in the development of our 2024-27 LCAP.

Goals and Actions

Goal

Goal #	Description	Type of Goal
1	Provide rigorous instruction and curriculum to improve student learning and demonstrate annual growth in California Standards in the areas of math and ELA, particularly in socioeconomically disadvantaged students and students with disabilities.	Broad Goal

State Priorities addressed by this goal.

<p>Priority 1: Basic (Conditions of Learning)</p> <p>Priority 2: State Standards (Conditions of Learning)</p> <p>Priority 4: Pupil Achievement (Pupil Outcomes)</p> <p>Priority 7: Course Access (Conditions of Learning)</p>

An explanation of why the LEA has developed this goal.

This goal supports our vision as part of our strategic action planning process in years prior to the LCAP 2024-27 term. The following areas were considered in the development of the focused goal: BICS is committed to the highest level of academic achievement through effective implementation of the California Standards in ELA, mathematics, and all other content areas. With supports and strategies in place, we will see an increase in state and local student assessment data, especially in the area of literacy and math, with the long term goal of all students reaching Standard Achievement. Academic Performance is measured by iReady/CAASPP data and demonstrates growth for each student group. Supplemental supports will be provided to economically disadvantaged students and students with learning disabilities by maintaining 100% fully credentialed teachers in appropriate assignments as measured by credential audits. This goal supports Priority 1: (Conditions of Learning), Priority 2: (Implementation of State Standards), Priority 4: (Pupil Achievement) and Priority 7: (Course Access)

Goals and Actions

Goal

Goal #	Description	Type of Goal
2	To support the social, emotional, and physical well-being of our students and staff, and promote self-awareness, self-management, responsible decision-making, and relationship skills.	Broad Goal

State Priorities addressed by this goal.

- Priority 3: Parental Involvement (Engagement)
- Priority 5: Pupil Engagement (Engagement)
- Priority 6: School Climate (Engagement)

An explanation of why the LEA has developed this goal.

This goal supports our vision as part of the strategic action planning process prior to the LCAP 2024-27 term. The following areas were considered important developing this learning goal with a focus on the whole child:

BICS is dedicated to the improvement of overall school attendance rates, and chronic absenteeism. Consistent tracking and follow up with chronically absent students will show a decrease in chronic absenteeism rates as measured by the California School Dashboard.

Extra supports and counseling opportunities will support our Native American students and their families to increase engagement and help with chronic absenteeism in this student group.

BICS will maintain/decrease Pupil Suspension and Expulsion rates as measured by the California School Dashboard through the implementation of MTSS strategies. BICS will launch a new SEL program to increase the percentage of students and families that report a sense of safety and school connectedness as well as developing life-ready leaders.

Through the expansion of our physical education program and provision of nutritious snacks and lunches. BICS will focus on better physical health and nutrition that will benefit our students in many ways. Getting our student started off with a nutritious breakfast will help both academically and physically. BICS will be to see an increase in the percentage of students meeting the Physical Fitness Test.

Qualified and trained staff will support students who require more behavioral, and/or emotional interventions.

BICS will partner with the community to increase collaboration between school, student and families to promote a positive whole child approach.

This goal supports Priority 3: (Parental Involvement (Engagement), Priority 5: Pupil Engagement (Engagement) and Priority 6: School Climate (Engagement)

3	Barona Indian Charter school will provide a safe and well-maintained campus to promote a better learning environment for our students and faculty.	Maintenance of Progress Goal

State Priorities addressed by this goal.

Priority 5: Pupil Engagement (Engagement)
 Priority 6: School Climate (Engagement)

An explanation of why the LEA has developed this goal.

BICS understands that students will have a more positive school experience if they learn and grow in an environment that is safe and clean. Our stakeholder groups have identified the importance of the safety and cleanliness of our campus when considering the development of this goal. This goal supports Priority 5: Pupil Engagement (Engagement) and Priority 6: School Climate (Engagement).

Goals and Actions

Goal

Goal #	Description	Type of Goal
4	Equitable Access to Arts Education for All Students TK-8th Grade.	Broad Goal

State Priorities addressed by this goal.

- Priority 1: Basic (Conditions of Learning)
- Priority 2: State Standards (Conditions of Learning)
- Priority 3: Parental Involvement (Engagement)
- Priority 4: Pupil Achievement (Pupil Outcomes)
- Priority 5: Pupil Engagement (Engagement)
- Priority 6: School Climate (Engagement)
- Priority 7: Course Access (Conditions of Learning)
- Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

It is important for all students to have a well-rounded education that exposes them to new ideas and perspectives. Arts education encourages creativity and teaches appreciation for the various art forms. Arts education boosts school attendance, academic achievement, improves school climate; and promotes higher self-esteem and social-emotional development. This arts education goal is to provide a foundation for the development of artistic competencies and cultivation of a lifelong appreciation and understanding of the arts. As students develop artistic literacy, they develop skills that enhance their personal, academic, and life endeavors. Every child should have equitable access to high-quality, standards-based arts education.

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at LCFF@cde.ca.gov.

Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (California *Education Code* [EC] Section 52064[e][1]). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (EC Section 52064[e][1]). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because the nature of some LCAP template sections require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
 - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, including long-term English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC Section 52064[b][4-6]).
 - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC sections 52064[b][1] and [2]).
 - **NOTE:** As specified in EC Section 62064(b)(1), the LCAP must provide a description of the annual goals, for all pupils and each subgroup of pupils identified pursuant to EC Section 52052, to be achieved for each of the state priorities. Beginning in 2023–24, EC

Section 52052 identifies long-term English learners as a separate and distinct pupil subgroup with a numerical significance at 15 students.

- Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC* Section 52064[b][7]).
- Ensuring that all increases attributable to supplemental and concentration grant calculations, including concentration grant add-on funding and/or LCFF carryover, are reflected in the LCAP (*EC* sections 52064[b][6], [8], and [11]).

The LCAP template, like each LEA’s final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which must: (a) reflect comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (Dashboard), (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity’s budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2024–25, 2025–26, and 2026–27 school years reflects statutory changes made through Senate Bill 114 (Committee on Budget and Fiscal Review), Chapter 48, Statutes of 2023.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA’s diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

Given present performance across the state priorities and on indicators in the Dashboard, how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions which, based on research, experience, and input gathered from educational partners, the LEA believes will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP document. Additionally, the beginning of each template section includes information emphasizing the purpose that section serves.

Plan Summary

Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA’s community as well as relevant information about student needs and performance. In order to present a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included throughout each subsequent section of the LCAP.

Requirements and Instructions

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA.

- For example, information about an LEA in terms of geography, enrollment, employment, the number and size of specific schools, recent community challenges, and other such information the LEA may wish to include can enable a reader to more fully understand the LEA’s LCAP.
- As part of this response, identify all schools within the LEA receiving Equity Multiplier funding.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Reflect on the LEA’s annual performance on the Dashboard and local data. This may include both successes and challenges identified by the LEA during the development process.

LEAs are encouraged to highlight how they are addressing the identified needs of student groups, and/or schools within the LCAP as part of this response.

As part of this response, the LEA must identify the following, which will remain unchanged during the three-year LCAP cycle:

- Any school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard;
- Any student group within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard; and/or
- Any student group within a school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Annually identify the reason(s) the LEA is eligible for or has requested technical assistance consistent with *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, and provide a summary of the work underway as part of receiving technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance, however this also includes LEAs that have requested technical assistance from their COE.

- If the LEA is not eligible for or receiving technical assistance, the LEA may respond to this prompt as “Not Applicable.”

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

- Identify the schools within the LEA that have been identified for CSI.

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

- Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

- Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Engaging Educational Partners

Purpose

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard, accountability, and improvement across the state priorities and locally identified priorities (*EC* Section 52064[e][1]). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public to understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Requirements

School districts and COEs: *EC* sections [52060\(g\) \(California Legislative Information\)](#) and [52066\(g\) \(California Legislative Information\)](#) specify the educational partners that must be consulted when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Local bargaining units of the LEA,
- Parents, and
- Students

A school district or COE receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Before adopting the LCAP, school districts and COEs must share it with the applicable committees, as identified below under Requirements and Instructions. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

Charter schools: *EC* Section [47606.5\(d\) \(California Legislative Information\)](#) requires that the following educational partners be consulted with when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Parents, and
- Students

A charter school receiving Equity Multiplier funds must also consult with educational partners at the school generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for the school.

The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals. Information and resources that support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the [CDE's LCAP webpage](#).

Before the governing board/body of an LEA considers the adoption of the LCAP, the LEA must meet the following legal requirements:

- For school districts, see [Education Code Section 52062 \(California Legislative Information\)](#);
 - **Note:** Charter schools using the LCAP as the School Plan for Student Achievement must meet the requirements of *EC* Section 52062(a).

- For COEs, see [Education Code Section 52068 \(California Legislative Information\)](#); and
- For charter schools, see [Education Code Section 47606.5 \(California Legislative Information\)](#).
- **NOTE:** As a reminder, the superintendent of a school district or COE must respond, in writing, to comments received by the applicable committees identified in the *Education Code* sections listed above. This includes the parent advisory committee and may include the English learner parent advisory committee and, as of July 1, 2024, the student advisory committee, as applicable.

Instructions

Respond to the prompts as follows:

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Complete the table as follows:

Educational Partners

Identify the applicable educational partner(s) or group(s) that were engaged in the development of the LCAP.

Process for Engagement

Describe the engagement process used by the LEA to involve the identified educational partner(s) in the development of the LCAP. At a minimum, the LEA must describe how it met its obligation to consult with all statutorily required educational partners, as applicable to the type of LEA.

- A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.
- An LEA receiving Equity Multiplier funds must also include a summary of how it consulted with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

Describe any goals, metrics, actions, or budgeted expenditures in the LCAP that were influenced by or developed in response to the educational partner feedback.

- A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP.
- An LEA receiving Equity Multiplier funds must include a description of how the consultation with educational partners at schools generating Equity Multiplier funds influenced the development of the adopted LCAP.
- For the purposes of this prompt, this may also include, but is not necessarily limited to:
 - Inclusion of a goal or decision to pursue a Focus Goal (as described below)
 - Inclusion of metrics other than the statutorily required metrics
 - Determination of the target outcome on one or more metrics
 - Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
 - Inclusion of action(s) or a group of actions
 - Elimination of action(s) or group of actions
 - Changes to the level of proposed expenditures for one or more actions
 - Inclusion of action(s) as contributing to increased or improved services for unduplicated students
 - Analysis of effectiveness of the specific actions to achieve the goal
 - Analysis of material differences in expenditures
 - Analysis of changes made to a goal for the ensuing LCAP year based on the annual update process
 - Analysis of challenges or successes in the implementation of actions

Goals and Actions

Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal must be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs must consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard, in determining whether and how to prioritize its goals within the LCAP. As previously stated, strategic planning that

is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students, and to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- Focus Goal: A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
 - All Equity Multiplier goals must be developed as focus goals. For additional information, see Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding below.
- Broad Goal: A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- Maintenance of Progress Goal: A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

Requirement to Address the LCFF State Priorities

At a minimum, the LCAP must address all LCFF priorities and associated metrics articulated in EC sections 52060(d) and 52066(d), as applicable to the LEA. The [LCFF State Priorities Summary](#) provides a summary of EC sections 52060(d) and 52066(d) to aid in the development of the LCAP.

Respond to the following prompts, as applicable:

Focus Goal(s)

Description

The description provided for a Focus Goal must be specific, measurable, and time bound.

- An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach.
- The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

Type of Goal

Identify the type of goal being implemented as a Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding

Description

LEAs receiving Equity Multiplier funding must include one or more focus goals for each school generating Equity Multiplier funding. In addition to addressing the focus goal requirements described above, LEAs must adhere to the following requirements.

Focus goals for Equity Multiplier schoolsites must address the following:

- (A) All student groups that have the lowest performance level on one or more state indicators on the Dashboard, and
- (B) Any underlying issues in the credentialing, subject matter preparation, and retention of the school’s educators, if applicable.
- Focus Goals for each and every Equity Multiplier schoolsite must identify specific metrics for each identified student group, as applicable.
- An LEA may create a single goal for multiple Equity Multiplier schoolsites if those schoolsites have the same student group(s) performing at the lowest performance level on one or more state indicators on the Dashboard or, experience similar issues in the credentialing, subject matter preparation, and retention of the school’s educators.
 - When creating a single goal for multiple Equity Multiplier schoolsites, the goal must identify the student groups and the performance levels on the Dashboard that the Focus Goal is addressing; or,
 - The common issues the schoolsites are experiencing in credentialing, subject matter preparation, and retention of the school’s educators, if applicable.

Type of Goal

Identify the type of goal being implemented as an Equity Multiplier Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.
- In addition to this information, the LEA must also identify:
 - The school or schools to which the goal applies

LEAs are encouraged to approach an Equity Multiplier goal from a wholistic standpoint, considering how the goal might maximize student outcomes through the use of LCFF and other funding in addition to Equity Multiplier funds.

- Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the Expanded Learning Opportunities Program (ELO-P), the Literacy Coaches and Reading Specialists (LCRS) Grant Program, and/or the California Community Schools Partnership Program (CCSPP).
- This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.

Note: EC Section [42238.024\(b\)\(1\) \(California Legislative Information\)](#) requires that Equity Multiplier funds be used for the provision of evidence-based services and supports for students. Evidence-based services and supports are based on objective evidence that has informed the design of the service or support and/or guides the modification of those services and supports. Evidence-based supports and strategies are most commonly based on educational research and/or metrics of LEA, school, and/or student performance.

Broad Goal

Description

Describe what the LEA plans to achieve through the actions included in the goal.

- The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal.
- The goal description organizes the actions and expected outcomes in a cohesive and consistent manner.
- A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

Type of Goal

Identify the type of goal being implemented as a Broad Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

Maintenance of Progress Goal

Description

Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP.

- Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP.
- The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

Type of Goal

Identify the type of goal being implemented as a Maintenance of Progress Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain how the actions will sustain the progress exemplified by the related metrics.

Measuring and Reporting Results:

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes.

- LEAs must identify metrics for specific student groups, as appropriate, including expected outcomes that address and reduce disparities in outcomes between student groups.
- The metrics may be quantitative or qualitative; but at minimum, an LEA’s LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year, as applicable to the type of LEA.
- To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant local indicator self-reflection tools within the Dashboard.

- **Required metrics for LEA-wide actions:** For each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
 - These required metrics may be identified within the action description or the first prompt in the increased or improved services section, however the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.
- **Required metrics for Equity Multiplier goals:** For each Equity Multiplier goal, the LEA must identify:
 - The specific metrics for each identified student group at each specific schoolsite, as applicable, to measure the progress toward the goal, and/or
 - The specific metrics used to measure progress in meeting the goal related to credentialing, subject matter preparation, or educator retention at each specific schoolsite.

Complete the table as follows:

Metric

- Enter the metric number.

Metric

- Identify the standard of measure being used to determine progress towards the goal and/or to measure the effectiveness of one or more actions associated with the goal.

Baseline

- Enter the baseline when completing the LCAP for 2024–25.
 - Use the most recent data associated with the metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2023 Dashboard for the baseline of a metric only if that data represents the most recent available data (e.g., high school graduation rate).
 - Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS.
 - Indicate the school year to which the baseline data applies.
 - The baseline data must remain unchanged throughout the three-year LCAP.
 - This requirement is not intended to prevent LEAs from revising the baseline data if it is necessary to do so. For example, if an LEA identifies that its data collection practices for a particular metric are leading to inaccurate data and revises its practice to obtain

accurate data, it would also be appropriate for the LEA to revise the baseline data to align with the more accurate data process and report its results using the accurate data.

- If an LEA chooses to revise its baseline data, then, at a minimum, it must clearly identify the change as part of its response to the description of changes prompt in the Goal Analysis for the goal. LEAs are also strongly encouraged to involve their educational partners in the decision of whether or not to revise a baseline and to communicate the proposed change to their educational partners.
- Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a new baseline each year, as applicable.

Year 1 Outcome

- When completing the LCAP for 2025–26, enter the most recent data available. Indicate the school year to which the data applies.
 - Note for Charter Schools: Charter schools developing a one-year LCAP may provide the Year 1 Outcome when completing the LCAP for both 2025–26 and 2026–27 or may provide the Year 1 Outcome for 2025–26 and provide the Year 2 Outcome for 2026–27.

Year 2 Outcome

- When completing the LCAP for 2026–27, enter the most recent data available. Indicate the school year to which the data applies.
 - Note for Charter Schools: Charter schools developing a one-year LCAP may identify the Year 2 Outcome as not applicable when completing the LCAP for 2026–27 or may provide the Year 2 Outcome for 2026–27.

Target for Year 3 Outcome

- When completing the first year of the LCAP, enter the target outcome for the relevant metric the LEA expects to achieve by the end of the three-year LCAP cycle.
 - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a Target for Year 1 or Target for Year 2, as applicable.

Current Difference from Baseline

- When completing the LCAP for 2025–26 and 2026–27, enter the current difference between the baseline and the yearly outcome, as applicable.
 - Note for Charter Schools: Charter schools developing a one- or two-year LCAP will identify the current difference between the baseline and the yearly outcome for Year 1 and/or the current difference between the baseline and the yearly outcome for Year 2, as applicable.

Goal Analysis:

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective towards achieving the goal. “Effective” means the degree to which the planned actions were successful in producing the target result. Respond to the prompts as instructed.

Note: When completing the 2024–25 LCAP, use the 2023–24 Local Control and Accountability Plan Annual Update template to complete the Goal Analysis and identify the Goal Analysis prompts in the 2024–25 LCAP as “Not Applicable.”

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

- Describe the overall implementation of the actions to achieve the articulated goal, including relevant challenges and successes experienced with implementation.
 - Include a discussion of relevant challenges and successes experienced with the implementation process.
 - This discussion must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

- Describe the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal. “Effectiveness” means the degree to which the actions were successful in producing the target result and “ineffectiveness” means that the actions did not produce any significant or targeted result.
 - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
 - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
 - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
 - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
 - The reasons for the ineffectiveness, and
 - How changes to the action will result in a new or strengthened approach.

Actions:

Complete the table as follows. Add additional rows as necessary.

Action #

- Enter the action number.

Title

- Provide a short title for the action. This title will also appear in the action tables.

Description

- Provide a brief description of the action.

- For actions that contribute to meeting the increased or improved services requirement, the LEA may include an explanation of how each action is principally directed towards and effective in meeting the LEA's goals for unduplicated students, as described in the instructions for the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.
- As previously noted, for each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
- These required metrics may be identified within the action description or the first prompt in the increased or improved services section; however, the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

Total Funds

- Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the action tables.

Contributing

- Indicate whether the action contributes to meeting the increased or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No.
 - **Note:** for each such contributing action, the LEA will need to provide additional information in the Increased or Improved Services section to address the requirements in *California Code of Regulations*, Title 5 [5 CCR] Section 15496 in the Increased or Improved Services section of the LCAP.

Actions for Foster Youth: School districts, COEs, and charter schools that have a numerically significant foster youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to foster youth students.

Required Actions

- LEAs with 30 or more English learners and/or 15 or more long-term English learners must include specific actions in the LCAP related to, at a minimum:
 - Language acquisition programs, as defined in *EC* Section 306, provided to students, and
 - Professional development for teachers.
 - If an LEA has both 30 or more English learners and 15 or more long-term English learners, the LEA must include actions for both English learners and long-term English learners.
- LEAs eligible for technical assistance pursuant to *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, must include specific actions within the LCAP related to its implementation of the work underway as part of technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance.

- LEAs that have Red Dashboard indicators for (1) a school within the LEA, (2) a student group within the LEA, and/or (3) a student group within any school within the LEA must include one or more specific actions within the LCAP:
 - The specific action(s) must be directed towards the identified student group(s) and/or school(s) and must address the identified state indicator(s) for which the student group or school received the lowest performance level on the 2023 Dashboard. Each student group and/or school that receives the lowest performance level on the 2023 Dashboard must be addressed by one or more actions.
 - These required actions will be effective for the three-year LCAP cycle.

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

Purpose

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students as defined in *EC* Section 42238.02 in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA’s description in this section must align with the actions included in the Goals and Actions section as contributing.

Please Note: For the purpose of meeting the Increased or Improved Services requirement and consistent with *EC* Section 42238.02, long-term English learners are included in the English learner student group.

Statutory Requirements

An LEA is required to demonstrate in its LCAP how it is increasing or improving services for its students who are foster youth, English learners, and/or low-income, collectively referred to as unduplicated students, as compared to the services provided to all students in proportion to the increase in funding it receives based on the number and concentration of unduplicated students in the LEA (*EC* Section 42238.07[a][1], *EC* Section 52064[b][8][B]; 5 *CCR* Section 15496[a]). This proportionality percentage is also known as the “minimum proportionality percentage” or “MPP.” The manner in which an LEA demonstrates it is meeting its MPP is two-fold: (1) through the expenditure of LCFF funds or through the identification of a Planned Percentage of Improved Services as documented in the Contributing Actions Table, and (2) through the explanations provided in the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.

To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are identified in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided across the entire LEA (LEA-wide action), provided to an entire school (Schoolwide action), or solely provided to one or more unduplicated student group(s) (Limited action).

Therefore, for *any* action contributing to meet the increased or improved services requirement, the LEA must include an explanation of:

- How the action is increasing or improving services for the unduplicated student group(s) (Identified Needs and Action Design), and
- How the action meets the LEA's goals for its unduplicated pupils in the state and any local priority areas (Measurement of Effectiveness).

LEA-wide and Schoolwide Actions

In addition to the above required explanations, LEAs must provide a justification for why an LEA-wide or Schoolwide action is being provided to all students and how the action is intended to improve outcomes for unduplicated student group(s) as compared to all students.

- Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.
- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

For School Districts Only

Actions provided on an **LEA-wide** basis at **school districts with an unduplicated pupil percentage of less than 55 percent** must also include a description of how the actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions provided on a **Schoolwide** basis for **schools with less than 40 percent enrollment of unduplicated pupils** must also include a description of how these actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Requirements and Instructions

Complete the tables as follows:

Total Projected LCFF Supplemental and/or Concentration Grants

- Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of foster youth, English learner, and low-income students. This amount includes the Additional 15 percent LCFF Concentration Grant.

Projected Additional 15 percent LCFF Concentration Grant

- Specify the amount of additional LCFF concentration grant add-on funding, as described in *EC* Section 42238.02, that the LEA estimates it will receive in the coming year.

Projected Percentage to Increase or Improve Services for the Coming School Year

- Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

LCFF Carryover — Percentage

- Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

LCFF Carryover — Dollar

- Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero (\$0).

Total Percentage to Increase or Improve Services for the Coming School Year

- Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEA's percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 CCR Section 15496(a)(7).

Required Descriptions:

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

If the LEA has provided this required description in the Action Descriptions, state as such within the table.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed.

An LEA demonstrates how an action is principally directed towards an unduplicated student group(s) when the LEA explains the need(s), condition(s), or circumstance(s) of the unduplicated student group(s) identified through a needs assessment and how the action addresses them. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis

Provide an explanation of how the action as designed will address the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed and the rationale for why the action is being provided on an LEA-wide or schoolwide basis.

- As stated above, conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.

- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

Note for COEs and Charter Schools: In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

Limited Actions

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

If the LEA has provided the required descriptions in the Action Descriptions, state as such.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique need(s) of the unduplicated student group(s) being served identified through the LEA's needs assessment. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s)

Provide an explanation of how the action is designed to address the unique identified need(s) of the unduplicated student group(s) being served.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

- For each action with an identified Planned Percentage of Improved Services, identify the goal and action number and describe the methodology that was used.
- When identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

- For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Total Planned Expenditures Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in *EC* Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

- An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.
- Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.
- An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as a single-school LEA or an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.
- In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
 - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.

- The staff-to-student ratio must be based on the number of full-time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.
- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
 - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.
 - The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

Action Tables

Complete the Total Planned Expenditures Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Total Planned Expenditures Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. The word “input” has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

- Table 1: Total Planned Expenditures Table (for the coming LCAP Year)
- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2024–25 LCAP, 2024–25 will be the coming LCAP Year and 2023–24 will be the current LCAP Year.

Total Planned Expenditures Table

In the Total Planned Expenditures Table, input the following information for each action in the LCAP for that applicable LCAP year:

- **LCAP Year:** Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant:** Provide the total amount estimated LCFF entitlement for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8).

Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs.

See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.

- **2. Projected LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated on the basis of the number and concentration of unduplicated students for the coming school year.
- **3. Projected Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 CCR Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- **LCFF Carryover — Percentage:** Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- **Total Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover — Percentage. ***This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.***
- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action’s number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering “All,” or by entering a specific student group or groups.
- **Contributing to Increased or Improved Services?:** Type “Yes” if the action **is** included as contributing to meeting the increased or improved services requirement; OR, type “No” if the action is **not** included as contributing to meeting the increased or improved services requirement.
- If “Yes” is entered into the Contributing column, then complete the following columns:
 - **Scope:** The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.

- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate “All Schools.” If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans.” Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.
- **Time Span:** Enter “ongoing” if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter “1 Year,” or “2 Years,” or “6 Months.”
- **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
- **Total Non-Personnel:** This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA’s total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
 - **Note:** For an action to contribute towards meeting the increased or improved services requirement, it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
 - **Note:** Equity Multiplier funds must be included in the “Other State Funds” category, not in the “LCFF Funds” category. As a reminder, Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the ELO-P, the LCRS, and/or the CCSPP. This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LEA’s LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.
- **Planned Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis to unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for the action as

a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English learners, and/or low-income students.

- As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the 'Contributing to Increased or Improved Services?' column will need to be checked to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses.

Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Estimated Actual Expenditures:** Enter the total estimated actual expenditures to implement this action, if any.

Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the 'Contributing to Increased or Improved Services?' column to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- **6. Estimated Actual LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated based on the number and concentration of unduplicated students in the current school year.
- **Estimated Actual Expenditures for Contributing Actions:** Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.

- **Estimated Actual Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
 - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been \$169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of \$169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

LCFF Carryover Table

- **9. Estimated Actual LCFF Base Grant:** Provide the total amount of estimated LCFF Target Entitlement for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs. See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.
- **10. Total Percentage to Increase or Improve Services for the Current School Year:** This percentage will not be entered. The percentage is calculated based on the amounts of the Estimated Actual LCFF Base Grant (9) and the Estimated Actual LCFF Supplemental and/or Concentration Grants (6), pursuant to 5 CCR Section 15496(a)(8), plus the LCFF Carryover – Percentage from the prior year. This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the current LCAP year.

Calculations in the Action Tables

To reduce the duplication of effort of LEAs, the Action Tables include functionality such as pre-population of fields and cells based on the information provided in the Data Entry Table, the Annual Update Summary Table, and the Contributing Actions Table. For transparency, the functionality and calculations used are provided below.

Contributing Actions Table

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
 - This amount is the total of the Planned Expenditures for Contributing Actions (LCFF Funds) column.
- **5. Total Planned Percentage of Improved Services**
 - This percentage is the total of the Planned Percentage of Improved Services column.
- **Planned Percentage to Increase or Improve Services for the coming school year (4 divided by 1, plus 5)**

- This percentage is calculated by dividing the Total Planned Contributing Expenditures (4) by the Projected LCFF Base Grant (1), converting the quotient to a percentage, and adding it to the Total Planned Percentage of Improved Services (5).

Contributing Actions Annual Update Table

Pursuant to *EC* Section 42238.07(c)(2), if the Total Planned Contributing Expenditures (4) is less than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the LEA is required to calculate the difference between the Total Planned Percentage of Improved Services (5) and the Total Estimated Actual Percentage of Improved Services (7). If the Total Planned Contributing Expenditures (4) is equal to or greater than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the Difference Between Planned and Estimated Actual Percentage of Improved Services will display “Not Required.”

- **6. Estimated Actual LCFF Supplemental and Concentration Grants**

- This is the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on of the number and concentration of unduplicated students in the current school year.

- **4. Total Planned Contributing Expenditures (LCFF Funds)**

- This amount is the total of the Last Year's Planned Expenditures for Contributing Actions (LCFF Funds).

- **7. Total Estimated Actual Expenditures for Contributing Actions**

- This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds).

- **Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)**

- This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4).

- **5. Total Planned Percentage of Improved Services (%)**

- This amount is the total of the Planned Percentage of Improved Services column.

- **8. Total Estimated Actual Percentage of Improved Services (%)**

- This amount is the total of the Estimated Actual Percentage of Improved Services column.

- **Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)**

- This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8).

LCFF Carryover Table

- **10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 plus Carryover %)**

- This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover – Percentage from the prior year.

- **11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)**

- This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).

- **12. LCFF Carryover — Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)**

- If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.

The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.

- **13. LCFF Carryover — Percentage (12 divided by 9)**

- This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

LEASE

This Agreement is entered into between the Barona Band of Mission Indians (“Tribe”) and Barona Indian Charter School, Inc. (“School”) for use of the facilities described in this Agreement.

1. Term

This Agreement shall be in effect for one year, beginning July 1, 2024, unless terminated by either party.

Scope of Services and Compensation Provision

The Scope of Services and Compensation Schedule outlined in Schedule A and B are comprehensive services for Barona Indian Charter School (Charter #0469).

ARTICLE 1 SERVICE AGREEMENT

1.1 **Service Agreement.** Outlined in the agreement below, Creative Back Office (hereinafter referred to as “Consultant”) will provide outsourced business services for Barona Indian Charter (hereinafter referred to as “School”). Consultant will provide the services outlined Exhibit A (collectively, the “consulting services”)

1.2 **Confidentiality.** In order for Consultant to perform the consulting services, it may be necessary for The School to provide Consultant with Confidential Information (as defined below), regarding the School’s business and products. The School will rely heavily upon Consultant’s integrity and prudent judgment to use this information only in the best interests of the School.

1.3 **Standard of Conduct.** In rendering consulting services under this Agreement, Consultant shall conform to high professional standards of work and business ethics. Consultant shall not use time, materials, or equipment of the School without the prior written consent of the School. In no event shall Consultant take any action or accept any assistance or engage in any activity that would result in any university, governmental body, research institute or other person, entity, or organization acquiring any rights of any nature in the results of work performed by or for the School.

1.4 **Client’s Responsibility.** As the Consultant is a third party contractor, the Consultant will rely on the School to provide requested information in a timely and comprehensive manner to allow the Consultant to carry out the agreed upon services. If after three requests and ten (10) business days, information is not provided to the Consultant in a timely and complete manner, the Consultant’s ability the carry out agreed upon services will be in jeopardy and result in the Consultant issuing a formal memorandum to the School outlining the requested information. Additionally, in the event that a change in the School’s operations may affect the ability of the Consultant to carry out agreed upon services, the School must inform the Consultant in writing within 7 (seven) business days of the effective change.

ARTICLE 2 INDEPENDENT CONTRACTOR

2.1 **Independent Contractor.** Consultant is an independent contractor and is not an employee, partner, or co-venturer of, or in any other service relationship with, the School. The manner in which Consultant’s services are rendered shall be within Consultant’s sole control and discretion. Consultant is not authorized to speak for, represent, or obligate the School in any manner without the prior express written authorization from an officer of the School.

2.2 **Taxes & Benefits.** Consultant shall be responsible for all taxes arising from compensation and other amounts paid under this Agreement, and shall be responsible for all payroll taxes and fringe benefits of

Consultant's employees. Neither federal, nor state, nor local income tax, nor payroll tax of any kind, shall be withheld or paid by the School on behalf of Consultant or his/her employees. Consultant and Consultant's employees will not be eligible for, and shall not participate in, any employee pension, health, welfare, or other fringe benefit plan of the School.

ARTICLE 3 COMPENSATION FOR CONSULTING SERVICES

3.1 Compensation. The School shall pay the Consultant, per the payment scheduled outlined in Exhibit B which will be on based on the agreed upon services outlined in Exhibit A.

3.2 Reimbursements. Per the agreement, The Consultant will not bill the School for internal administrative costs. Internal administrative costs include Consultant's internal printing and reproduction, standard postage expenses, phone expenses, and travel & lodging expenses for contracted meetings per the agreement. Expenses that are not listed above are considered to be "Reimbursable Expenses" to be paid back to the Consultant. These expenses include, but are not limited to the following: express postage, materials that require external printing and reproduction, and travel & lodging expenses for meetings outside the contracted agreement. Prior to the Consultant executing any "Reimbursable Expenses," the Consultant will inform the School of the estimated charges and will seek prior approval from the School. "Reimbursable Expenses" will be billed at cost, plus 15% in an invoice to be generated by the Consultant.

ARTICLE 4 TERMS AND TERMINATION

4.1 Term. This Agreement shall be effective as of 5/10/2024 and shall continue in full force and effect through the reauthorization of the School. The School and Consultant may negotiate to extend the term of this Agreement and the terms and conditions under which the relationship shall continue.

4.2 Termination for Cause. The School may terminate this Agreement for "Cause," after giving Consultant written notice of the reason. Cause means: (1) Consultant has breached the provisions of Article 5 of this Agreement in any respect, or materially breached any other provision of this Agreement and the breach continues for 30 days without cure by Consultant following receipt of a notice from the School; (2) Consultant has committed fraud, misappropriation, or embezzlement in connection with the School's business; (3) Consultant has been convicted of a felony; or (4) Consultant's use of narcotics, liquor, or illicit drugs has a detrimental effect on the performance of his or her employment responsibilities, as determined by the School.

4.3 **Termination Payment Terms.** If this Agreement is terminated pursuant to either of the above provisions, the School shall still be obligated to pay agreed upon monthly rates to the Consultant for all services rendered up until the effective date of the termination of the agreement.

4.4 **Responsibility upon Termination.** Any equipment provided by the School to the Consultant in connection with or furtherance of Consultant's services under this Agreement, including, but not limited to, computers, laptops, and personal management tools, shall, immediately upon the termination of this Agreement, be returned to the School.

4.5 **Survival.** The provisions of Articles 5, 6, 7, and 8 of this Agreement shall survive the termination of this Agreement and remain in full force and effect thereafter.

ARTICLE 5 CONFIDENTIAL INFORMATION

5.1 **Obligation of Confidentiality.** In performing consulting services under this Agreement, Consultant may be exposed to and will be required to use certain "Confidential Information" (as hereinafter defined) of the School. Consultant agrees that Consultant will not and Consultant's employees, agents, or representatives will not use, directly or indirectly, such Confidential Information for the benefit of any person, entity, or organization other than the School, or disclose such Confidential Information without the written authorization of the School, either during or after the term of this Agreement, for as long as such information retains the characteristics of Confidential Information.

5.2 **Definition.** "Confidential Information" means information not generally known and proprietary to the School or to a third party for whom the School is performing work, including, without limitation, information concerning any patents or trade secrets, confidential or secret designs, processes, formulae, source codes, plans, devices or material, research and development, proprietary software, analysis, techniques, materials, or designs (whether or not patented or patentable), directly or indirectly useful in any aspect of the business of the School, any vendor names, customer and supplier lists, databases, management systems and sales and marketing plans of the School, any confidential secret development or research work of the School, or any other confidential information or proprietary aspects of the business of the School. All information which Consultant acquires or becomes acquainted with during the period of this Agreement, whether developed by Consultant or by others, which Consultant has a reasonable basis to believe to be Confidential Information, or which is treated by the School as being Confidential Information, shall be presumed to be Confidential Information.

5.2.1 For the course of this Contact, "Confidential Information" will explicitly include, but is not limited to the following: Schools intellectual property and propriety information: marketing strategy including marketing automation selection and overall marketing plan, summer school strategies including School Partners and

outreach strategies, information pertaining to School developed Student Information System (SIS), including name, API and specific features, information pertaining to School developed Courses and Courseware, and information on the School's current and/or future expansion plans.

5.3 Property of the School. Consultant agrees that all documents and tangible items developed by the Consultant on behalf of the School in connection with services rendered under this Agreement are and shall remain the exclusive property of the School. Promptly upon the expiration or termination of this Agreement, or upon the request of the School, Consultant shall return to the School all documents and tangible items, provided to Consultant or created by Consultant for use in connection with services to be rendered hereunder, including, without limitation, all Confidential Information, together with all copies and abstracts thereof.

ARTICLE 6 RIGHTS AND DATA

All documents and tangible items prepared as instruments of services, shall remain the property of the Consultant whether the agreement for which they are made is executed or not. They are not to be used by the School, by other vendors or extensions to external accounting systems except by agreement in writing to the Consultant.

Any unauthorized modification or reuse of the instruments of service shall be at the School's sole risk and the Consultant agrees to defend, indemnify and hold designer harmless, from all claims, injuries, damages, losses, expenses, and attorney's fees arising out of the unauthorized modification or use of these instruments of service.

ARTICLE 7 INDEMNIFICATION

7.1 Consultant's Indemnification. The Consultant shall indemnify, defend and hold you harmless against any claims brought against you to the extent the Consultant infringed or misappropriated classified information to a third party.

7.2 School's Indemnification. Subject to the preceding paragraph, you agree to indemnify, defend and hold the Consultant harmless against any claims brought against the Consultant to the extent those claims are based upon allegations that you (a) infringed intellectual property rights or (b) breached your agreement (if any) with any third parties.

7.3 **Conditions to Indemnification.** The foregoing obligations are conditioned upon: (a) prompt written notice by the indemnified party to the indemnifying party of any claim, action or demand for which indemnity is claimed; (b) complete control of the defense and settlement thereof by the indemnifying party, provided that no settlement of an indemnified claim shall be made without the consent of the indemnified party, such consent not to be unreasonably withheld or delayed; and (c) reasonable cooperation by the indemnified party in the defense as the indemnifying party may request. The indemnified party shall have the right to participate in the defense against the indemnified claims with counsel of its choice at its own expense.

7.4 **Definition of "Claims."** For purposes of Section 8, "Claims" means losses, actions, liabilities, damages, expenses and reasonable attorneys' fees and court costs.

ARTICLE 8 GENERAL PROVISIONS

8.1 **Construction of Terms.** If any provision of this Agreement is held unenforceable by a court of competent jurisdiction, that provision shall be severed and shall not affect the validity or enforceability of the remaining provisions.

8.2 **Governing Law.** This Agreement shall be governed by and construed in accordance with the internal laws (and not the laws of conflicts) of the State of California

8.3 **Complete Agreement.** This Agreement constitutes the complete agreement and sets forth the entire understanding and agreement of the parties as to the subject matter of this Agreement and supersedes all prior discussions and understandings in respect to the subject of this Agreement, whether written or oral.

8.4 **Dispute Resolution.** If there is any dispute or controversy between the parties arising out of or relating to this Agreement, the parties agree that such dispute or controversy will be arbitrated in accordance with proceedings under American Arbitration Association rules, and such arbitration will be the exclusive dispute resolution method under this Agreement. The decision and award determined by such arbitration will be final and binding upon both parties. All costs and expenses, including reasonable attorney's fees and expert's fees, of all parties incurred in any dispute that is determined and/or settled by arbitration pursuant to this Agreement will be borne by the party determined to be liable in respect of such dispute; provided, however, that if complete liability is not assessed against only one party, the parties will share the total costs in proportion to their respective amounts of liability so determined. Except where clearly prevented by the area in dispute, both parties agree to continue performing their respective obligations under this Agreement until the dispute is resolved.

8.5 **Modification.** No modification, termination, or attempted waiver of this Agreement, or any provision thereof, shall be valid unless in writing signed by the party against whom the same is sought to be enforced.

8.6 **Waiver of Breach.** The waiver by a party of a breach of any provision of this Agreement by the other party shall not operate or be construed as a waiver of any other or subsequent breach by the party in breach.

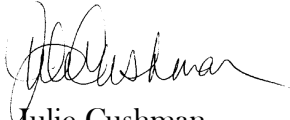

8.7 **Successors and Assigns.** This Agreement may not be assigned by either party without the prior written consent of the other party; provided, however, that the Agreement shall be assignable by the School without Consultant's consent in the event the School is acquired by or merged into another corporation or business entity. The benefits and obligations of this Agreement shall be binding upon and inure to the parties hereto, their successors and assigns.

8.8 **No Conflict.** Consultant warrants that Consultant has not previously assumed any obligations inconsistent with those undertaken by Consultant under this Agreement.

IN WITNESS WHEREOF, this Agreement is executed as of the date set forth above.

Family Resource Coordinator

The Barona Indian Charter School will employ a consultant to look at broad family issues and provide recommendations in respect to school culture, student absenteeism, and student socio-emotional needs.

Areas of analysis will include:

Provide direction, recommendations and support for socio-emotional needs of students. Analyze effectiveness of current character education programs and agency support systems.

Analyze and provide direction on the culture of BICS, its families, Board, employees, and stakeholders at large. Does it meet its stated cultural goal as written in the charter? Provide recommendations or directions for improvement, redirection, or required implementation efforts.

Provide direction and recommendations on improving attendance among BICS tribal students in particular and all students at large. What are the cultural, health, location, or other influences on school attendance and student success?

Provide direction and recommendations as to the current and projected network of support for students, including academic and socio-emotional learning support from internal and external sources.

Work on site as needed, interacting with students to assess students on socio-emotional needs as they arise in an effort to provide ongoing support structure recommendations. Job includes visiting the homes of families and calling, texting, or emailing as necessary.

Prepare summary documentation to the Board for review at a BICS Governing Board meeting as necessary.

Family Resource Coordinator

PURPOSE OF POSITION: The Coordinator will assist students and families of the school by developing, coordinating and providing a comprehensive set of wraparound services to address academic and non-academic barriers, especially as it relates to chronic absenteeism. The Coordinator will support the unification of all educators, community partners, and families to provide all students with quality academic supports, enrichment, health and social services, and opportunities to learn and thrive. The Coordinator will serve as the primary liaison with community partners. Position reports to the Principal/Director.

Key Areas of Responsibility:

PERCENTAGE OF TIME

45%— Develop relationships with school staff, students, families, and community stakeholders to develop and coordinate a comprehensive and strategic set of services to address academic and non-academic barriers for students and their families, including (but not limited to) family engagement activities, youth development opportunities, adult education, early childhood programs, and basic needs.
